Training Records

We have updated your training records, course in bold are courses that need refreshing. If you would like an electronic copy of your training record please let us know and we can email this across. We would appreciate if you could let us know if there are any changes we need to make to your records.

As always, we are also more than happy to meet with you to discuss any training requirements you may have, just contact the office to make an appointment.

NRoSO Workshops are Back!

Mark Elder from John Rhodes will be coming to Woolley on **Tuesday 25th January 2022** to run a couple of workshops for us (a morning and an afternoon session). The content for the 2021/2022 workshop is;

- Current Issues
- Adjuvants
- Sprayer Maintenance
- Technology

Mark will run through each topic area in full detail and will be available at the end of the session to answer any questions you may have. Operators attending one of these half-day events will receive 10 **CPD points**, a comprehensive delegate workbook, and a range of relevant supporting materials.

Sprayer MOTS

Mark Elder will be running the Sprayer MOT'S in January/February 2022. Provisional dates and times will be sent out in the next few weeks. If you would like your machines included in the scheduling please let us know.

Spread the Word

Please help spread the word about the training group, by sharing our Facebook and Instagram posts, invite your friends to follow our pages or forward our emails to friends and family.

Workshops/Courses:

Evening Workshops

Our 'Needle felted Christmas Pudding bauble' workshop with Sarah Richards from I Felt Fantastic, was a productive evening and got the creative juices flowing. Everyone went away feeling very proud of their creations. Take a look at our Facebook page to see the beautiful creative baubles. Thank you, Sarah.
