

West Berks & Oxon Training Newsletter

February 2022

News.....

Sprayer MOTS

Mark Elder has started running the Sprayer MOT's, if you would like your machines included and have not received a date, please let us know ASAP.

Training Records

You should have received a hard copy of your training records with the last Newsletter. If you would like an electronic copy or wish to discuss your training requirements, please contact the office and we can make an appointment for a phone conversation or to come and see you.

Fert Spreader Testing

SCS will contact you directly to arrange the testing, if you have not heard anything to let us know and we will chase them up

Infield Agronomy

There will be a series of 6 morning in-field sessions lasting about 2 hours.
Suggested dates: 1st March, 15th March, 29th March, 12th April, 26th April, 10th May.
Being held at Hill Farm, East Hendred. The sessions will start at 8am with topical issues of all the common combinable crops, then you will walk a few fields, identify growth stages, weeds, diseases etc, the emphasis being on sharing of knowledge amongst participants rather than one way lecturing.

Evening Workshops:

January

At the Pottery workshop some fabulous masterpieces were created with Sue Drews guidance and expertise. Everybody had great fun putting their own design on either a mug or jug, the artistic juices were running high and they all looked amazing. Thank you to Sue Drew from Drew School of Ceramics.

OAST (Oxfordshire Agricultural Society Trust)

OAST provides financial assistance for relevant activities to individuals, groups or organisations connected with agriculture/rural activities in Oxfordshire (or in areas closely bordering the County) to help with their professional and personal development. Preference is usually given to younger people near the start of their careers in the industry, or to organisations concerned with young people. However the Trustess also actively consider other applications if they fall within the Trust's terms of reference.
